

# Northwest Concrete Masonry Association Presents **STRUCTURAL MASONRY DESIGN WEBINAR**

This newly updated three-session webinar will focus on the requirements of 2018 IBC Chapter 21 and the referenced material standard TMS 402/602. Both working stress and strength design of reinforced concrete masonry will be covered. Learn how to interpret and apply the building code through masonry building element design examples. Participants can earn continuing education credit.

## **November 19**

**4 - 6:30 pm Pacific Time**

Masonry Materials  
Code Overview  
Beam Design  
Anchor Bolts

## **December 3**

**4 - 6:30 pm Pacific Time**

Out-of-Plane Walls  
Quality Assurance  
Constructability  
Limit Design
